

# TWINWALL TF

## Product Marking: According to BS EN 1856-1: 2009 Chimney Identification Plate Example:

In accordance to BS EN 1856-1: 2009, chimney identification plates retaining information related to product specifications and designations are to be permanently secured to a chimney system and/or in close proximity to it, in an un-obstructive but visible location. Suitable fixing positions would be either to/ or near any Clean-Out Doors, Draught Stabilisers, Manual Dampers or boiler connection components.

It is also extremely important that this plate is not removed or defaced at any point.

- A** = CE Conformity Mark & Identification Number
- B** = Manufacturer's Contact Details
- C** = Product Designators
- D** = Factory Production Control Certificate Number
- E** = Manufacturer's Name & Trademark
